No School for students on Monday, March 24

Fairview School's New Website!

We are very pleased to announce that our newly updated website will be going live on March 12th, 2025. We hope that this new site will offer an improved and easy to navigate communication format. You will be able to access the new website after the site goes live at <http://fairview.chinooksd.ca/>

From Mr. Boss' Desk:

Recently, we recognized Pink Shirt Day on February 26th, to show support for Anti-Bullying. A big part of Fairview School's commitment is to work hard with our students to get them to understand the negative impact that their actions and/or words can have on themselves, others, and our school. Pink Day provides our students with the opportunity to reflect on the topic of bullying and the mistreatment of others with the goal of making better choices. We proudly show this commitment to each other with our handprint on the front foyer wall beside our Anti-Bullying Pledge.

I want to take this opportunity to thank our Fairview Community for their generosity towards the Telemiracle Fundraiser. As a school we raised over \$2,300 towards this worthy cause.

Looking ahead, we look forward to the opportunity to sit down and speak with parents/students during the upcoming Parent/Teacher conferences next month. Setting goals and celebrating success are a key part of the learning process. We have lots to celebrate!

FAIRVIEW SCHOOL
Anti-Bullying Pledge

This is for me...
...my friends today
And my friends tomorrow.

I know being mean is wrong
because I am a do something person...
...not a do nothing person.

I care
I can help change things
I can be a leader
In my world there are no bullies allowed

Bullying is wrong
It's taking harm
to other people, me,
I will stand up!

I know looking after someone is the right thing to do.
I will be strong and try

Telemiracle Fundraising

We raised an amazing \$2,323, breaking all previous year's records! Your generosity was amazing and we are very grateful! Thank you ! Our Duct Tape Challenge was such a great success. Mrs. Seibel's class won for top donations in elementary grades and Mr. Bell's advisor in middle years!

Science Fair

Our school Science Fair, for students in grades 7 and 8, took place on **February 25**.

Participating in the Science Fair provides students unique learning opportunities as well as developing an understanding of science using topics of personal interest.

It allows them to independently apply the scientific process and to develop presentation skills.

From the 55 projects, the top 17 are going to the Regional Science Fair, on March 11 & 12th, at the Comprehensive High School.

Good luck to our Fairview participants!

The Sports Scene

As we put a wrap on the Basketball Season, we would like to thank our teams for being tremendous ambassadors for our school. Congratulations to our Senior Girls Knights team who came in 2nd place in the City Finals in a very close game against Irwin School. It was an exciting game!

A big thank you to our coaches:

Mr. Bell - Senior Girls

Mr. Boss & Mrs. Doebald - Senior Boys

Ms. Collier & Ms. Caswell - Intermediate Boys

& Mrs. McKenna - Intermediate girls

Thank you to the parents who drove players to games and tournaments, to the students who volunteered to score-keep, and to those who came out to cheer the teams on!

Badminton tryouts will begin shortly.

COOPERATION

Cooperation Overview

This month's focus is Cooperation. One way to think about Cooperation is "working together to reach shared goals." As a family, talk about how this definition applies to how you work together at home. What are some goals you share?

Cooperation is 1 of 3 traits we will focus on throughout the year that helps students **Be Kind**. Across grade levels, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Conversation Starters

- What does Cooperation mean in your own words?
- What is 1 way we can practice Cooperation as a family?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Cooperation. Here are 2 "PurposeFull Pursuits" you can complete together!

#1

Cooperation is working together to reach shared goals.

This week, plan a time where everyone needs to work together to accomplish a shared goal like cleaning up the space you live in or making a meal together. Make sure everyone has a role to play with specific tasks. When the project is complete, discuss and celebrate how each person's part was important to the end result.

#2

Find a time to sit in a circle together and celebrate all the ways you have seen each other practice Cooperation. Take turns sharing responses to the following prompts or make up your own! Remember to practice Cooperation as you take turns and listen to each other.

Celebration Prompts:

- What family member(s) do you want to celebrate for their Cooperation this month?
- What is 1 way you were a leader this month? What is 1 way you were a helpful follower this month?
